Welcome to February 2017 Newsletter

Although February is a month of cold and clumsy weather but there has been no respite at ESS with business as busy as ever! In this newsletter, we have news about ESS winning one new contract. There is also good news from one existing contract in the news.

In this newsletter, we have important information for employees regarding the procedures for starting and ending their shift. Essex Security Solutions Ltd is expanding their operations to the North and opening new office in North in June.

Our Vision

Director- M Ali Qaiser

We have vision to open training Centre to provide in house training to become a security guards. We are working to expand our operation all over North in England as well as South east. We are planning to open our new office in North in near future. We will invest funding on staff in future to keep them trained and up to date to current fast paced industry.

We have won new contracts to provide Man Guarding to Burger King Gravesend and Burger King Chatham. I would like to congratulate our compliance and Operations team for this success.

News Updates from Compliance and Operations team- Mudassar Ali

We are working on upcoming audit for ISO 9001- 2012 which will be by the end of month of February. We are also working on transition from ISO 9001-2012 to ISO 9001-2015. ESS has also recently applied for Construction line membership which is in progress. This will be very important and will open construction industry doors on us. We have recently conducted our client surveys and carried out internal audits by external auditors. We achieved 90% results.

Employee of the Quarter:
